RE: Permit ID No. M0350026 (Point Of Mountain) – Request for Notice of Revision or Amendment

Dear Ms. Heppler:

I would like to request the Division of Oil, Gas and Mining provide Draper City notice of any proposed revisions or amendments to the approved Notice of Intent ("NOI") granted to the Point of Mountain – South Hansen mine (Permit ID No. M0350026).

Draper City considers any change to the approved NOI to be significant given the operation's scale and location within the city's municipal boundaries. Notice may be sent to:

Draper City
c/o City Manager
1020 E. Pioneer Road
Draper, UT 84020

Thank you for considering this request. Don't hesitate to contact me if you have any questions or concerns.

Sincerely,

Mike Barker
Draper City Attorney
